Launchpad Technologies

Dear Launchpad Technologies Recruiters,

I am writing to apply for the position of Full Stack Developer at your company. I am a web developer with one year experience in developing web apps with .Net and ASP .Net Framework. I also have 2 years experience on web development with Javascript and JS frameworks such as Node.js, Express.js and React.js. And a year managing SQL databases with SQL Server, and NoSQL databases with MongoDB. I consider myself a proactive, responsible, and passionate person about programming. I believe that my professional profile fits perfectly with the position you are offering, and I am confident that I can add value to your projects. Thank you for your time and consideration, and I remain at your disposal to provide any additional information you may require.

Sincerely,

Andrés Rafael Escala Acosta
